**Subject:** Re: term 3

Hi -----,

We are looking at occupations in communities and will visit Claremont Vet, Coles, Bakery and maybe Pharmacy. The history component is looking at things from the past (photos, artefacts ) and we are going to the Museum. Grandparents day is at the end of term. We are also going on weekly nature walks. Thanks ---

-----

Ps I have lots of boys who have great difficulty following a sequence. Could be listening skills but some have really poor motor planning. Any books that reinforce sequencing would be fab.

Kind regards

-----
